Scout Booster

Cub Scout Allan Weiss, 8, Pack 344, is happy for two reasons. He just became old enough to become a Cub, and he liked it so well he brought his buddy. For this achievement his mother sews a "Scout Booster" strip at the bottom of his right pocket. This picture is being repeated in thousands of Scout homes throughout the Council as Scouts ask their buddies to join during the Space Roundup.

New Hours For Scout Service Center

As a further service to the Scouters of the Chicago Council, the Scout Service Center at 9 W. Washington Street will be open on Mondays from 8:30 A.M. to 8:30 P.M. on a trial basis through December. Hours on Tuesday through Friday are 8:30 A.M. to 5:00 P.M., with the Record Service remaining open until 5:30 P.M. for the handling of charters and additional enrollments.

District Leaders to Confer

In a move to strengthen Scouting at the district level through a greater involvement of manpower, a six-hour conference has been announced for Saturday, November 11, 1961.

Slated for the La Salle Hotel, 10 North La Salle, from 2:30 to 8:30 P.M., the conference will include District Chairmen, District Commissioners, District Executives, District Vice-Chairman and Chairmen of the District Operating Committees including the following: camping, activities, leadership training, advancement, finance, health and safety, and organization and extension.

CONFERENCE LEADERS

Leaders for the conference include Bryan S. Reid, Jr., Chairman of the Council Executive Board, Sidney Wanzer III, Scout Commissioner and Alden G. Barber, Scout Executive.

Commenting on the Council's need for greater efficiency in district operations, Mr. Barber said, "since we are concerned in Scouting with the welfare of boys—all boys, our method of reaching them is through Scout units. Since packs, troops and posts are under sponsorship of hundreds of institutions scattered throughout the Chicago area, our operation by districts is the most effective and efficient way of administering the Scouting program.

"It is, therefore, most important that our District leaders participate in this special meeting since we are dedicated to better methods of planning a worthy Scouting program for the institution, units, and, thus, the boys of our Council."

COORDINATE DISTRICT WORK

"Our main purpose involved in the conference will be to designate the function of the districts so that the Key Three (District Chairman, District Commissioners, District Executives,) the operating committees, and the commissioner staffs of the districts work together on behalf of all boys."

Reservations for this conference (\$2.25) are being handled by the District Executives and the Council Service Center.

ROUNDTABLES

The District Cub Leaders' Roundtable will follow the December theme, "Follows, Helps, Gives", and will be presented by Packs 3745. The Scout group will be given some good ideas from the December Scout theme, "Helping Hand for Wildlife".

DISTRICT COMMITTEE MEETING

The Roseland District Committee Meeting will be held in what we believe is the largest Scout room in the district used entirely for Cubs, Scouts, Explorers, and Girl Scouts. It has a seating capacity of at least 500. Let's have every Institutional Representative and Member-at-Large Present. We have some very important business to discuss.

Pick Pen Pals

If your Scouts want to write to Scouts in another land here's what you do: (1) Mr. Unit Leader writes a letter to a unit leader in another country telling about his unit and boys who want to correspond (2) Send letter to BSA International Service, New Brunswick, N. J. with a note requesting link-ups with the country of your choice (3) When you receive a reply you can link your Scouts with those of the other unit.

Along the Scouting Trail

By ALDEN G. BARBER

We believe that manpower is the key to our success in Chicago Council in the years ahead.

If we have enough of the right men, especially at the district and unit level, we can accomplish the total job of:

- Organizing more units
- Serving more boys
- Providing a quality program
- Financing the operation

Therefore Saturday, November 11th, is a most important day. At 2:30 P.M. all district operating committee chairmen are asked to be present at the La Salle Hotel to learn their role in securing the new men we need. The district chairmen and commissioners are to lead their district groups.

Please mark the date—November 11th—and remember this is the kickoff for Operation Manpower.

"Operation B.S.A." to Result in 65 New Units

Operation B.S.A. is a hard hitting plan to organize new units and to bring them into the official Chicago Council scout family.

Launched with four Saturday day-long visitations to prospective sponsors of Scouting, the plan is expected to result in 65 new units officially registering before the end of the year. The series of Saturday organizational meetings taking place in the four service areas of the council, began on September 30 and will conclude November 4.

All members of the council professional staff have teamed up with key district volunteer leaders to help "open the door" for new units.

Taking its name from Scouting's national theme, Operation B.S.A. stands for B—Build, S—Serve, A—Achieve.

BEGIN OPERATION PATRICK HENRY

Griffin Named Relationships Chairman

James T. Griffin, Vice-President of Sears, Roebuck and Co. and a member of the Chicago Council's Executive Board, has been named chairman of the Council's newly formed Relationships Committee, it was announced by Bryan S. Reid, Jr., Chairman of the Board.

Long active in Scouting, Mr. Griffin is a member of the Region Seven Committee, the National Scout Executive Board, and serves as Chairman of the National Catholic Lay Committee on Scouting.

As Chairman of Relationships, Mr. Griffin will coordinate the Council's community, Scouting and public relations activities.

The work of this new committee will directly benefit every Scout Leader of the Chicago Council. Members of the Council Executive Board have hailed this appointment as a significant step toward bringing a better program of Scouting to more boys.

Call for Nominations

Frank Soule, Chairman of Operation Patrick Henry, has issued a call to all Scoutmasters and Explorer Advisors to nominate one boy each from their units for training in public speaking on December 2nd and 9th. Scouts nominated will receive materials to prepare a five minute talk on the subject, "What Scouting Means To Me."

They will present their talks and receive excellent guidance under the auspices of the Chicago Rotary Club and Toastmasters International at the two Saturday morning sessions from 9:15 A.M. to noon at the Field Building, 120 W. Adams. Once certified as Patrick Henry speakers, the Scouts will be given numerous opportunities throughout the year to speak in behalf of the Boy Scouts of America before many important groups.

In issuing the call for nominations, Mr. Soule said, "A boy who can speak well will know more success in whatever he does now, as well as in later adult life. I urge every unit leader to nominate a boy for this valuable training."
